

Millwood Plan Discussed at Area Meeting

Some 300 persons, including 20 from Hope, attended a public hearing on the proposed Millwood Dam project yesterday at Ashdown including representatives of the Southwest Arkansas Water District.

Following the hearing some 150 remained to discuss the land acquisition procedures.

Col. Howard W. Penney, district engineer for the Tulsa District, Corps of Engineers, told the group that completion of the Dam is set for 1966 and land acquisition has been set for December 1964.

He said six public areas will be developed by the Engineers and they will include roads, parking areas, picnic facilities, and boat launching ramps, etc. and two areas, Cypress Slough and Beards Bluff, will be constructed along with the Dam. They are located at each end of the Dam. Others will be developed when needed, including Peyton Landing, White Cliffs, Trent Landing and Saline Landings. Leases for commercial concessions will be on a bidding basis.

The Colonel said privately owned land can be developed by the owner as he sees fit. Hunting and fishing in designated areas will be permitted.

He said a land office will be established in the area next July to handle land acquisition matters.

Acreage to be acquired outright runs a little over 48,000, including land for the dam site, project buildings, public use areas and the surface area of the ultimate pool, with water supply and storage, at an elevation of 259.2 feet.

The Corps will obtain flowage easements of 66,000 acres upstream from the dam and on 21,000 acres downstream to Reet River. He said a small portion of the towns of Wilton and Paragona and the community of Bright Star will be flooded when the reservoir is at maximum flood control but only the areas affected will be purchased by the Government.

An individual basis.

Col. Penney told about a proposal from the U.S. Fish and Wildlife Service, backed by the Arkansas Game and Fish Commission, to purchase additional land for a wildlife refuge and for game management. However, this plan has not yet been authorized.

Local Plant Is Running Continuously

Southern Plywood Corporation is presently employing 143 persons, working seven days a week around the clock and is two weeks behind on production orders, R. W. Emerson, told Hope Kiwanis Club Tuesday at its noon luncheon meeting at the Hotel Barlow.

Employment is at an all-time peak, and compares with 95 employees six months ago and 35 employees two years ago.

He told of the company's various phases of operation and products which are manufactured from wood-waste, purchased at the rate of approximately one thousand tons per month from within a 50 mile radius of Hope—and that's "a lot of chips" he remarked.

He discussed the Emrite process which is a technical phase of one of their products being used by the furniture industry that has opened up a new market for the concern.

The plant is located in the Proving Ground industrial area. Guests of the club included Mitchell Sparks of Little Rock; Jess Silverman of Dallas and Percy Purifoy of Texarkana.

Weather

Experiment Station report for 24-hours ending at 6 p. m. Tuesday, High 63, Low 60; Total 1961 precipitation through September, 45.44 inches; during the same period a year ago, 33.55 inches.

Northwest: Partly cloudy this afternoon. High near 60. Fair to night and Thursday. Low tonight in the low 50s. Friday mostly

GOES HOME — MRS. ALEXEI GOLOUB, a Russian tourist whose husband defected to the West, is escorted to a plane at Schiphol Airport in Amsterdam, Holland, by Soviet Ambassador P. K. Ponomarenko. Earlier, Ponomarenko was punched in the nose by a Dutch policeman when

the envoy and nine other Russians stormed an airport police station to seize Mrs. Golub. After hours of debate, Mrs. Golub decided to return to Moscow. Her husband remained in Holland. — NEA Telephoto

Second ESD Worker Has 'Resigned'

LITTLE ROCK (AP)—Paul F. Hogan, an employee of the Employment Security Division, who testified in a Hatch Act case last June, has resigned.

ESD Administrator James L. Bland confirmed the resignation today. He said Hogan quit voluntarily.

Hogan, then an interviewer in the ESD office at Russellville, testified that he had refused to contribute to the 1960 campaign fund of Gov. Orval E. Faubus.

Bland said Hogan had been working recently in Texarkana.

Hogan had refused to comment on a report of his resignation.

A Civil Service Commission examiner, who held the "Hearings," has recommended that three officials in the ESD office here be dismissed for taking "an active part" in the Faubus campaign in violation of the federal Hatch Act.

The ESD receives federal funds and is thus covered by the act. A final decision is up to the entire commission.

Mrs. A. Hall Allen of Little Rock, also a witness at the June hearings, resigned her ESD job, effective Oct. 1. She said the office had been made too "uncomfortable" for her.

Woman Shot Twice by L. R. Man

LITTLE ROCK (AP) — Three shots rang out at a busy suburban intersection Tuesday night.

Two bullets struck a young woman who had leaped from a car screaming, "Don't shoot me."

The third hit the car of Sheriff L. C. Young, who was waiting for a traffic light to change.

Young drew his pistol and clambered out of his car. A man ran from the car from which Mrs. Robert Rhea, a 24-year-old divorcee had fled. Young fired into the air, and the man surrendered meekly.

Mrs. Rhea was rushed to a hospital with torso wounds from .38 caliber revolver bullets. She was listed in satisfactory condition.

Police booked Harold L. Walker, 31, on an open charge.

Detective Ralph Terry said that Walker, a chiropractor, told this story:

He had been trying to get the woman to marry him and determined to have an answer Tuesday night. He intended, if she refused to shoot himself. When she became frightened and ran, he shot at her.

"He said he didn't know why he did it," Terry said.

Mother of Two Local Men Dies Tuesday in Texas

Mrs. G. G. Rettig, aged 55, died last night at her home in Timpson, Texas.

Survivors include three sons, C. P. and B. L. Rettig of Hope; A. M. Rettig of Prescott; two daughters, Mrs. Rex Bryson of Timpson and Mrs. Houston Cheek of Many, La.

Arrangements are incomplete but will be held Thursday at Timpson.

New Racial Sore Spot Appears

By THE ASSOCIATED PRESS

A new racial sore spot with confusing overtones appeared to be developing today at the thriving southwest Mississippi town of McComb.

The focal point is a Negro girl, Brenda Travis, 16, who was suspended from high school and committed to a reform school after her arrest during a sit-in attempt at the bus station.

Adding scope to the McComb racial strife was the arrest of more than 100 demonstrators against Brenda's suspension from high school.

Protests have been lodged with President Kennedy and his brother, U.S. Atty. Gen. Robert F. Kennedy.

The Negro population of the town of some 12,000 appeared to be divided. Police reported that they had heard that some of the Negroes themselves had ordered a New Yorker, who was included in the mass arrests, to leave. The outsider was identified as Robert Moses, 26, who was helping to conduct a voter registration school.

At other places in the South, racial developments were calmer. At Knoxville, Tenn., where a stink bomb had been tossed at Negro demonstrators against segregated movies, the manager of two theaters considered legal steps against such demonstrations.

The manager, William Curry, said he might seek a court injunction.

Vacation Brain

HAMBURG, Germany (AP)—An electronic brain which picks a vacation spot where the tourist will enjoy himself is on view at an office-machine exhibition in Hamburg.

The prospective vacationer who doesn't know where to go answers six questions for a clerk who punches them on a tape and feeds it to the robot; distance he wants to travel, size of the town scenery, comforts required, sports interests and whether he wants quiet or lots of company.

The experimental machine, called the "Zuse Z23," has more than 500 vacation spots on file.

250 Escape From Island Volcano

By ALEC CUTLER

CAPE TOWN, South Africa (AP)—The 250 stunned men, women and children of Tristan da Cunha spent a night of agony on a rocky outcrop in the South Atlantic, eyeing the glow of a volcano that threatens to destroy their island homes.

The refugees fled Tuesday aboard two small fishing boats from earthquakes and volcanic eruptions that began Sunday on Tristan da Cunha, a 40-square mile speck of land halfway between South Africa and South America and one of the most remote islands in the world.

The refugees fought their way through 13 miles of dangerous seas and waded ashore at Nightingale Island, a bleak, uninhabited rock a mile long and three-fourths of a mile wide, to spend the night and await a Dutch liner coming to take them to Cape Town.

The islanders will wait here while nature decides the fate of the island where they and their forebears have lived in almost complete isolation for 150 years.

Scarcely a dozen of the 250, the total population of Tristan, had ever left the British-ruled island. Their knowledge of the outside world is based on books, films, radio and hearsay. The population refused evacuation during World War II.

Plans called for a small group of volunteers to stay behind on Nightingale Island to watch the course of the eruption—the first in modern times on the island—and return to Tristan if anything is left. They will act as caretakers until the others can return, tending the island's handful of sheep and cattle and its tiny fruit, and potato crops.

The British frigate Leopard left Cape Town on the 1,730-mile journey to Nightingale with food and supplies for the caretakers.

Tristan's 7,640-foot high volcano, which occupies most of the island, was reported erupting heavily Tuesday night, perilously close to the lone settlement of Edinburgh.

Moscow to Be Told Britain Supports U. S.

By ARTHUR GAVSHON

LONDON (AP)—Soviet Foreign Minister Andrei A. Gromyko left for Moscow today with word for the Kremlin that the British government fully supports U.S. determination to defend Western interests in Berlin.

British Foreign Secretary Lord Home told the opening session of the Conservative party conference at Brighton that the Western Allies have at last convinced the Russians they will resist interference with the West's access routes to Berlin.

"If there was interference with access to West Berlin a fight would start," Home said, "and no one can say that it would not end in the ultimate disaster of the nuclear exchange. I think that we succeeded in convincing Gromyko that that situation must not be allowed to arise."

Gromyko, after outwardly cordial meetings Tuesday with Prime Minister Harold Macmillan and Home, steadfastly maintained the Soviet determination to sign a peace treaty with East Germany. He refused to say, however, whether the Russians would carry out their previous threat to sign the treaty before the end of the year.

Gromyko described his London talks, which followed similar meetings in the United States with President Kennedy and Secretary of State Dean Rusk, as "very useful."

Gromyko's three weeks of contacts with Western statesmen produced no sign of declaration of either the Soviet or Western positions except for indications that the Soviet end-of-the-year peace treaty deadline might have been postponed. This and Soviet talk in recent days about the necessity for peace appeared to take some of the heat out of the crisis.

Denies West Police Will Go to Berlin

WASHINGTON (AP) — A U.S. spokesman denied today that the West plans to send West German police into beleaguered West Berlin.

The spokesman also declared that a Communist East German protest against the alleged plan would not be accepted by the Western powers.

The latest diplomatic and propaganda skirmish over the status and future of West Berlin came as Soviet Foreign Minister Andrei A. Gromyko returned to Moscow from exploratory talks on the Berlin crisis with U.S. and British leaders in New York, Washington and London.

Gromyko said on arrival in Moscow that he had found the talks "useful."

State Department press officer Lincoln White was asked at a news conference whether the U.S. government agreed they were useful.

White replied that he would only reiterate what he had said before—that the record of the discussions particularly those of President Kennedy and Secretary of State Dean Rusk with Gromyko—were being studied.

Any future East-West negotiations will have to await the results of consultations among the Western Allies, White said.

White was then asked the U.S. response to the Communist warning Tuesday night against any reinforcement of West Berlin police by police from West Germany.

The transport of such reinforcements by air or surface routes would be considered aggression, the Communists warning said, and would be dealt with accordingly.

White said that East German Communist authorities had "again jumped the gun and are seeking to exploit propaganda in calling a development that has not occurred."

The fact is, White said, that the ministers of interior of various German states met last week and offered to send extra traffic policemen to West Berlin.

White said, "The West Berlin police supported by Western Allied forces have the situation well in hand; it is therefore not anticipated that under present conditions a need will arise for assistance such as that offered by the West German interior ministers."

Union Czar Hoffa Is Again Indicted for Misuse of \$500,000

AFLCIO Offers Charters to the Teamsters

By NORMAN WALKER

NEW YORK (AP)—The AFL-CIO Executive Council voted 23 to 2 today to give separate AFL-CIO charters to local unions rebelling against James R. Hoffa's Teamsters Union.

NEW YORK (AP) — Organized labor's leadership, having refused to take back the expelled Teamsters Union, appeared equally unwilling today to declare open war on James R. Hoffa's controversial truck drivers organization.

After overwhelmingly voting down a proposal to end a four-year Teamsters exile for alleged corruption, the AFL-CIO Executive Council met to consider forming a rival union to try to snatch members away from Hoffa.

Hoffa replied to the challenge at Portland, Ore., saying: "We'll meet them anywhere, any time, and we'll come out on top."

Hoffa told the Western Conference of the Teamsters Union that the Teamsters are not asking to return to the AFL-CIO. If they ever did so, he added, it would be with the understanding that they could run their own affairs and organize workers without worrying about jurisdiction.

George Meany, AFL-CIO president, made a counterdrive against the 1.5 million-member Teamsters look attractive by reporting here that some 100 of the nearly 900 Teamsters locals have applied to quit Hoffa's outfit and come into the main labor federation.

However, Meany's fellow AFL-CIO chiefs seem to have little appetite for an all-out fight against Hoffa's powerful Teamsters.

One top federation leader predicted that issuing a formal warning to locals defecting from Hoffa's union is about as far as the AFL-CIO leaders are ready to go.

The labor chiefs, for one thing, don't feel overly optimistic about outdoing Hoffa for members in his own trucking industry field.

Secondly, day-to-day working relationships with Teamsters have continued right along at state and local labor echelons despite the fireworks set off at the top union level after Senate disclosures involving Hoffa and his predecessor, Dave Beck, as Teamsters president.

WASHINGTON (AP) — A U.S. spokesman denied today that the West plans to send West German police into beleaguered West Berlin.

The spokesman also declared that a Communist East German protest against the alleged plan would not be accepted by the Western powers.

The latest diplomatic and propaganda skirmish over the status and future of West Berlin came as Soviet Foreign Minister Andrei A. Gromyko returned to Moscow from exploratory talks on the Berlin crisis with U.S. and British leaders in New York, Washington and London.

Gromyko said on arrival in Moscow that he had found the talks "useful."

State Department press officer Lincoln White was asked at a news conference whether the U.S. government agreed they were useful.

White replied that he would only reiterate what he had said before—that the record of the discussions particularly those of President Kennedy and Secretary of State Dean Rusk with Gromyko—were being studied.

Any future East-West negotiations will have to await the results of consultations among the Western Allies, White said.

White was then asked the U.S. response to the Communist warning Tuesday night against any reinforcement of West Berlin police by police from West Germany.

The transport of such reinforcements by air or surface routes would be considered aggression, the Communists warning said, and would be dealt with accordingly.

White said that East German Communist authorities had "again jumped the gun and are seeking to exploit propaganda in calling a development that has not occurred."

The fact is, White said, that the ministers of interior of various German states met last week and offered to send extra traffic policemen to West Berlin.

White said, "The West Berlin police supported by Western Allied forces have the situation well in hand; it is therefore not anticipated that under present conditions a need will arise for assistance such as that offered by the West German interior ministers."

Bulletin

DALLAS, Tex. (AP) — House Speaker Sam Rayburn developed pneumonia during the night and became unconscious, his physician said today.

Dr. Robert F. Short Jr. said he could not determine when what he called "the crisis" would come.

PRESCOTT, Ark. (AP) — Sixteen-year-old Marcela White of Rosston was killed Tuesday night when an automobile in which she was a passenger overturned several times on Highway 19 three miles south of Prescott.

WASHINGTON (AP) — A draft call for 20,000 men in November was issued today. All will go into the Army.

The November quota is the same as that for October, but is \$5,000 less than the September quota when the first full impact of the military buildup came.

Pan-Arab Union Is Proposed

DAMASCUS, Syria (AP)—Syria's new revolutionary regime today proposed that all Arab countries from the Atlantic to the Persian Gulf join in a United Arab States.

The U.S.A.S. said a 14-point appeal sent to all Arab governments, would be a "voluntary Pan-Arab union on a constitutional, decentralized basis."

The proposal obviously was designed to recapture from Egypt's President Gamal Abdel Nasser the initiative toward Arab unity, a popular cause among Arabs.

Premier Mamoun Kurbani and his provisional government have described this country's own short-lived union with Egypt—the United Arab Republic which was shattered by the Syrian revolution of Sept. 28—as an experiment in Arab unity that failed because it lacked a basis of "freedom and equality."

Syria's appeal, made jointly by the provisional government and the army revolutionary command and read over the Damascus radio by Kurbani, said the United Arab States should follow an international policy of neutrality and peaceful coexistence.

All Arab governments were urged to call their parliaments into session to consider the Syrian proposals.

Reserves to Report

SAN ANTONIO, Tex. (AP) — The 355 Arkansas ready reservists ordered to duty with the 49th Armored Division will report to Ft. Polk, La., Oct. 26. Fourth Army headquarters announced Tuesday. The Army has called 4,073 reservists to bring the Texas National Guard to full strength for mobilization.

Appropriately enough the feature film at Thursday night's Wildlife Assn. meeting will be the "Lost Hunter" and several of the local sportsmen apparently need to see it. . . a second film "Hunting With Bow and Arrow" will be shown at the courtroom at Hempstead Courthouse at 8 p.m.

Council of Garden Clubs announce the following Yard of the Month winners: Ward 1A — Mr. and Mrs. E. M. McWilliams on East Third . . . Mr. and Mrs. T. C. Crawford, 905 East Fifth . . . Ward 2 — Mr. and Mrs. Alvin Reynolds, 618 S. Hervey . . . Ward 3 — Mrs. R. P. Barlow, 416 W. Ave. D . . . Ward 4, Oak Haven and Proving Ground Road — Mr. and Mrs. George Teat of SPG road . . . Southland Heights and Beverly Hills — Mr. and Mrs. E. J. Whitman of Southland Heights . . . the judging is based 60 per cent on landscape plan and design along with overall beauty . . . 20 per cent on neatness and 20 per cent on improvement.

Hope Jaycettes will hold a bake sale Saturday, Oct. 14, starting at 9 a.m. in the building formerly occupied by Keesey's Shoe Store on Second St.

The Jr.-Sr. High PTA meeting has been postponed until Thursday, Oct. 19.

Wayne Johnson, son of Mr. and Mrs. Buford Johnson of Hope Rt. 2 has made known his call to the ministry in services Oct. 8, at the Garrett Memorial Baptist Church . . . a 1955 Hope High graduate, he will bring the message at the Shover Springs Missionary Baptist Church Sunday, Oct. 15 at 7:30 p.m.

At Mississippi State College for Women, Columbus, Cynthia Ann Foster, freshman from Hope, has received a bid from the Mamm-Sells, a campus social club . . . a history major, she is the daughter of Mrs. R. R. Foster Jr.

Sheriff Jimmie Griffin warned today that but check artists are working in this area again . . . one was cashed at a local grocery store yesterday and others are expected to turn up . . . just make sure you know who you are dealing with, the Sheriff warned.

Jury Charges Fraud in Use of Union Funds

WASHINGTON (AP)—James R. Hoffa, president of the Teamsters Union, was indicted Tuesday in Orlando, Fla., for a second time on fraud charges involving alleged misuse of more than \$500,000 in union funds.

The Justice Department, announcing the federal grand jury's action, said the indictment also names Robert E. McCarthy Jr., Detroit banking executive.

As did an indictment returned in Orlando last Dec. 7, the new indictment involve the alleged misuse of union money to develop a "model city" in Brevard County, Fla.

The earlier indictment was dismissed July 12 on grounds that it had been returned by an improperly constituted grand jury.

The first indictment had 12 counts. The new one includes 16 counts. Twelve of these, like the original indictment, included three charges of mail fraud, three of fraud by telephone, and one of fraud by telegraph.

Ally. Gen. Robert F. Kennedy, announcing the new indictment, said it also contained three new mail fraud counts and a mail fraud conspiracy charge.

McCarthy, now an officer of the Public Bank of Detroit, was, at the time of the alleged frauds, manager of a branch of the Bank of the Commonwealth, Detroit.

Hoffa and McCarthy were accused of devising "a scheme and artifice to defraud" four Teamsters organizations in connection with the establishment of Sun Valley Inc., a Florida corporation formed in October 1954. Its purpose was described as the purchase of land in Brevard County and resale of this property to Teamster members and the general public.

Part of the scheme, the jury charged, called for the financing of Sun Valley "through the misuse of union funds" and its operation "for the personal profit of the defendants."

Jerry Stephens, 19, Dies Tuesday at Beaumont, Texas

Jerry Sherman Stephens, aged 19, a former resident of Hope, died unexpectedly Tuesday at his home in Beaumont, Texas. He was a member of the Baptist Church.

Survivors include his wife, Mrs. Barbara Haley Stephens, a son, Richard W. Stephens, a daughter, Carla Mae Stephens; his mother, Mrs. Ben Farmer of Hope; two brothers, Willie Joe Stephens of 29 Psalms, Calif., Leslie Stephens of Hope and his paternal grandparents, Mr. and Mrs. J. D. Shaw of Hope.

The body will be returned to Hope for burial. Arrangements will be announced by Oakcrest Funeral Service.

\$80,150 Judgment Is Awarded

LITTLE ROCK (AP)—U.S. District Judge Gordon Young awarded Hicks Body Co., Inc., of Lebanon, Ind., an \$80,150 judgment against Ward Body Works of Conway, Ark., Tuesday.

The order said the money would compensate the Hicks firm for dies, tools and other equipment it furnished Ward in 1953 in connection with a contract for manufacture of bus bodies.

Hicks had asked a judgment of \$150,000. The firm said Ward failed to live up to a contract to furnish bus bodies for sale by Hicks.

More Berlin Talks Okayed Reluctantly

By ENDRE MARTON

WASHINGTON (AP) — France and West Germany are expected to give reluctant approval to further Washington-Moscow talks aimed at a Berlin settlement. The exchanges would be at the ambassadorial level.

However, the French and West Germans reportedly would prefer to hold off on further East-West exploratory contacts until the Western powers agree to a united approach to the Berlin problem.

This was made clear by diplomatic sources after the Western ambassadorial steering group met for 3½ hours Monday night with Poy D. Kohler, assistant secretary of state.

The British, French and West German envoys and their aides have been meeting almost daily with Kohler, head of the State Department's task force for Germany.

Diplomatic sources, in disclosing the French and West German views, conceded that the gap between the thinking in Washington, London, Paris and Bonn was not bridged when the Western foreign ministers met here in September.

The European Allies were briefed on the recent conference between Rusk and Soviet Foreign Minister Andrei A. Gromyko and the two-hour meeting last Friday between President Kennedy and Gromyko.

U.S. officials were reported to have told the diplomats they do not share the German and French assessments of the Gromyko talks. Specifically, some Washington authorities disagree with Wilhelm Grewe, the German ambassador, who said on Sunday that the Kennedy-Gromyko meeting seemed to him "a step backward."

The talks with Gromyko, these officials said, represented neither progress nor regression. But they said a number of points raised by Kennedy and Rusk were left without clarification.

Therefore Washington believes that such an exchange should continue. Officials suggested the best approach would be to have Liwellyn Thompson, the U.S. ambassador to Moscow, keep in contact with Gromyko.

Denies Stand Change

TAIPEI, Formosa (AP) — A Foreign Office spokesman today virtually denied reports suggesting that Nationalist China might change its stand against the admission of Outer Mongolia to the United Nations.

The spokesman said he had nothing to add to earlier Foreign Office comments on reports to that effect published by the Independent China Post. The Foreign Office previously described the report as incorrect.

administration of Gov. Nelson A. Rockefeller in funds for education, crime prevention and housing.

Also, Wagner has continued to sound his primary battle cry against political bosses in both Democratic and Republican ranks.

Lefkowitz, 57, had no opposition in the primary for the Republican mayoralty nomination. He was second choice of the Rockefeller forces, who originally tried to get Sen. Jacob K. Javits to run.

The attorney general has seized on the long-standing contention of Wagner's political enemies that the mayor is long on promises and weak in performance. Lefkowitz has hammered at Wagner's civil rights record, school construction program, slums and hospital services. The GOP candidate also has pledged to put able-bodied men on relief to work, and to purge chiselers from the welfare rolls.

Moody, 38, slashed his wrists but was not injured seriously. Underwood said Moody, a monument company worker, allegedly struck his wife with the iron after they got in an argument.

The couple's children ran to the home of neighbors, who summoned officers.

Moody, deputies said, kept repeating, "Why did I do it?" after they arrested him. He was lodged in jail here.

The couple had dressed for work—Moody to go to the monument company and Mrs. Moody to pick cotton.

Underwood quoted Moody as saying he and his wife had been having domestic difficulties for some time.

The children are Gary 14, Billy Don, 11, and Patricia, eight.

Authorities said a formal charge probably would be filed later today.

Candidates Borrow Page From 1960

By ARTHUR EVERETT

NEW YORK (AP) — The two major party candidates for mayor borrow a page from last year's presidential election for a television debate tonight.

Democratic Mayor Robert F. Wagner and Atty. Gen. Louis J. Lefkowitz go before the cameras of WPIX, the New York Daily News television station.

Each candidate will be asked seven questions by New York City reporters. They will have two minutes to reply to each. Then the candidates will be given one minute of rebuttal on each question.

Wagner, 51, and seeking a third won the Democratic nomination Sept. 7 as an insurgent, beating by nearly 2-1 the regular party candidate, State Comptroller Arthur Levitt. In the process, Wagner ended the reign of Carmine DeSapio as head of Tammany Hall.

The mayor has based his campaign for reelection at the Nov. 7 election on charges that the city has been "unmercifully short-changed" by the Republican state

bargain of a lifetime

In 1900 the average life expectancy was about 47 years. In little more than half a century, this life expectancy has increased to about 70... an addition of 23 years, thanks to advances made by medical science. Modern medication and new medical techniques offer the biggest bargain in the family budget.

SOCIETY

Phone 7-3431 Between 8 A. M. and 4 P. M.

Thursday, Oct. 12

● playlet will be the main feature of the Thursday session of the Mission study "Churches for New Times" at the Methodist Church from 1:30 to 3 p.m. The nursery will be open.

The Guernsey PTA will meet Thursday at 7:30 p.m. in the school auditorium.

The Blevins, PTA will meet on Thursday, Oct. 12 at 7:30 in the school auditorium. The program will be on "Athletics" and refreshments will be served.

Friday, Oct. 13

The final session of the Mission Study "Churches for New Times" will be held at the Methodist Church from 1:30 to 3 p.m. Friday. The nursery will be open.

There will be an Associational WMU Rally in Lewisville Thursday, Oct. 12 from 10 a.m. to 2 p.m. All officers are urged to attend.

The Hempstead County Wildlife Assn. will meet Thursday, Oct. 12 at 8 p.m. at the Hempstead County Courthouse. An interesting program is planned.

The Hopewell HD Club will meet in the home of Mrs. Oscar Hodnett Thursday, Oct. 12 at 2 p.m. Mrs. Biddle will have charge of the program.

The Baker HD Club will meet in the home of Mrs. Jesse Nuskio Thursday, Oct. 12 at 7 p.m. Each member is urged to attend as new officers for the coming year will be elected.

Monday, Oct. 16

Circle 5 of the WSCS of First Methodist Church will meet Monday, Oct. 16 at 7:30 in the home of Mrs. Kinard Young with Mrs. Wade Benefield co-hostess.

Tuesday, Oct. 17

The Hempstead County Medical Auxiliary is joining with the Bowie-Miller, Polk-Sevier and Howard Pike Medical Auxiliaries Tuesday Oct. 17 at 12 noon in the Rose Room of the Diamond to honor Mrs. Hershel Wilmoth, president of the Arkansas Medical Auxiliary. Hempstead County Medical Auxiliary president, Mrs. Jud

Martindale urges all members to attend.

Duplicate Bridge Club Meets

The Hope Duplicate Bridge Club had Master Point Night at the Diamond Monday, Oct. 9. There were no out of town guests at the four tables of players.

Mr. and Mrs. R. L. Broach were the high scorers. Dr. Harold Brents and Mike Kelly were second and those scoring third were Mrs. J. C. Broyles and Mrs. Harry Hawthorne.

Victory HD Club Meets

The Victory HD Club met Wednesday, Oct. 6 in the home of Mrs. Elston Willis. The eyeopener was given by Mrs. Jack Sumpter on "How to prepare dry flowers for winter bouquets." The devotionals were by Mrs. Loya Hampton. Singing was directed by the song leader, Mrs. Robert Cash. Roll call was answered by 11 members and one visitor, Mrs. J. C. Burke by "A suggestion for next years yearbook."

Reports were given by the home furnishing leader, Mrs. Eunie Calhoun and card chairman, Mrs. Cecil Smith. Officers were elected for 1962 as follows:

President, Mrs. J. C. Rowe; vice president, Mrs. William Schooley; Secy/Treas. Mrs. Loya Hampton; Reporter, Mrs. Elston Willis.

Leaders elected were Mrs. Cash, Mrs. Calhoun, Mrs. Haller McCorkle, Mrs. Sumpter, Mrs. Schooley, Mrs. Bill Burke, Mrs. Dexter Alford, Mrs. Cecil Smith, Mrs. Joe Willett and Mrs. Willis.

The meeting was closed with the reading of the club collect.

Coming and Going

Mrs. C. C. Collins left Sunday to visit her daughter, Mrs. Thomas Berry and family in Crossett.

Mr. and Mrs. A. J. Rhodes, Mrs. Aubrey Collier Sr. and Miss Brenda Delaney spent the weekend in Little Rock with relatives.

Luther Holloman spent the weekend in Little Rock with Mr. and Mrs. Herbert Cook of Conway and Mr. and Mrs. Frank Baggett of Memphis. They were joined Saturday by Dr. Harold Brents and Dr. and Mrs. Jim Shuffield.

Dr. and Mrs. George Wright went to Little Rock Tuesday for him to have a checkup and treatments.

Mr. and Mrs. Lloyd Spencer and Mr. and Mrs. Robert LaGrone went to Little Rock over the weekend and saw the Ark-TCU football game and attended the

Only Old as You Feel— It Says Here

By PHYLLIS BATTELLE

NEW YORK — "You're only as old as you feel."

That's what they all — well, almost all — tell you. There must be some truth in it, because cliches always die when they are no longer honestly applicable to life. (anybody told you lately they'll never replace the horse?) But "you're only as old as you feel" turns out to be purely a psychological stimulant, rather than a physical fact of life. To be semantically accurate, the phrase should read, "you are older than you feel, but who's counting?"

This was revealed by the physical fitness laboratory of the University of Illinois: We are all "middle-aged" at the age of 26!

According to a Ph.D. at the university the "physical fitness" improves, for both males and females, for a number of years after birth.

"Throughout youth we grow stronger. Then, at about age 17 for boys, and 14 for girls, we hit our physical peak — though few people ever realize their full potential because of improper or non-existent training methods."

"We stay at this physical peak until 25. Then middle-age begins." A horrid thought and theory. However, as an elderly woman, I am not allowing it to put a frustrated sag in my chin, nor does the news make my eyes run in circles. Rather, realizing my decidedly mature status in life, I'm prepared to give advice to the new middle-aged generation of 26:

Men — don't let them retire you even though from here on your physical usefulness may wane. Keep active. Try to remember

buffet dinner at Worthen Bank and Trust Co.

Also attending the Ark-TCU football game were Dr. and Mrs. Jud Martindale, Mr. and Mrs. Wayne Russell, Mr. and Mrs. Mike Kelly, Mr. and Mrs. Albert Graves, Mr. and Mrs. Thell Joplin, Mr. and Mrs. Harrell Collier and Mrs. Thompson Evans Jr.

Mrs. J. S. Gibson returned home last week from Minneapolis, Minn. where she visited Mr. and Mrs. John Gibson and daughter.

Mrs. T. A. Hendrix is visiting her son, Roy and family in Mesa, Ariz. and her daughter, Mrs. Gertrude Scalaba and family in Whittier, Calif.

Mrs. Franklin Horton and Mrs. E. P. O'Neal arrived home Tuesday night from a national PEO convention in Washington, D.C.

Mr. and Mrs. Gerald Duke of Los Angeles are visiting his parents, Mr. and Mrs. Harold Duke and other relatives.

59 Million Bushels of State Soybeans

LITTLE ROCK (AP) — The Agriculture Department estimated Arkansas' soybean production Tuesday at 59,294,000 bushels.

The figures were higher than previous estimates and well above last year's production of 50,589,000.

The rice crop was forecast at 13,824,000 hundredweight, slightly above last year's figure of 13,440,000.

Arkansas corn, being grown under tighter production controls this year, was forecast at 7,140,000 bushels, compared to 9,608,000 last year.

that some Americans didn't make their first million until they were well on, sometimes well into their 30s.

Women — be philosophical and relax. If you press your push buttons right, you can wither gracefully.

Besides, America is just entering into the "era of think" — when mature intelligence may soon be even more essential than youth, muscle and a pretty face.

This is not to say that colleges ever will do a bigger business than cosmeticians, or that there ever will be an American cliché which says "gentlemen prefer brains" — but nevertheless, today's thinkers visualize an upcoming period of new respect for philosophers, scientists and mathematicians.

"Within our lifetimes," a modern historian told me recently, "there will be a growing interest in the intellect. With the coming of automation, more and more education will be required to make men and women competitive for top jobs. The Ph.D. degree will be as common as the B.A. degree is today, and the man with less than a four-year college education will be rare."

As a step in this direction, toward clearer and more frequent thinking, note the interesting new advance in the vending machine industry. It is reported (and the report is recounted in good housekeeping) that soon there will be machines across the country where you can drop a coin in the slot and receive a 15-minute inhalation of pure oxygen!

Purpose: to clear the noggin, of course, and make it possible to think keenly even in the most noxious, smoggy city air.

"The idea of de-fogging the brain with oxygen is not new — health clubs have used it to snap clients out of mental hazes for decades — but the widespread concern for a sharp, keen mind is a recent notion. And it is catching on, slowly, even among women."

Lilly Dache's beauty salon now features an oxygen mask, which looks like a blue-lined space helmet, for a new kind of mental and emotional relaxation. Of course, Miss Dache notes that the pure ozone perks up the circulation, improving the complexion, while it stimulates the gray cells to action.

In other words, mentally and cosmetically, oxygen gives you a certain air!

DOROTHY DIX

Guilty Conscience Could Lead Him Into Trouble

By HELEN WORDEN ERSKINE

Dear Helen: I have been visiting my best friend and his girl at her home. One night recently they threw a party in my honor. We were all very gay and a little high. My friend fell asleep. His girl put a seductive tango on the record player and we started dancing. Her beauty, the contact of our bodies and the mood of the music were too much for me. The inevitable happened.

Should I confess to my friend, wreck a romance and clear my conscience or consign a wonderful interlude to the dead letter of office of love and remain forever silent? —Guilty Conscience.

Dear Guilty: There is no choice. Only a heel would kiss and tell. Think of the girl and keep your memories to yourself. Reading between the lines I get the impression that the dance isn't over. In fairness to him the least you can do is bow out now.

Dear Helen: My problem concerns the girl I raised. Her folks and mine have been friends all ways. Her father and mother separated because he got into trouble with the law. We took their little girl into our hearts and gave her love, attention and security throughout her childhood.

Six months before her graduation from high school she married, against our wishes. Her father signed the necessary papers. We were crushed but nothing could be done. After four years of unhappiness, three children and broken spirits, the poor thing divorced.

Now she is madly in love again. Since her divorce is not yet final this means that their child will be born out of wedlock.

Apparently she is indifferent as to whether or not the baby has a name. That immature first marriage warped her sense of value.

Her sister blames their early environment. The irresponsible father has remarried three times—all teen-agers. His current wife is only two years older than our foster daughter. We believe she and this new lover of hers should go to Nevada or Mexico and get married for the sake of the baby. What do you think? I intend to let her read your advice. —Foster-Mother

Dear Foster-Mother: Stop blaming yourself for another's weakness. You can't lead your foster daughter's life for her. If she loves this man she won't want his child to suffer needlessly as it surely will if she can't give it a name. Encourage her to get off to a fresh start with him. Otherwise the children may well follow in their wayward grandfather's footsteps. Questionable heredity plus insecurity spell double trouble.

Dear Helen: I married the wrong man. My husband and I are completely different in our backgrounds, outlook and character. A little variety may be the spice of life but one chokes on too much spice.

How do I go about correcting the mistake without making my children suffer? Having grown up in a home where our mother stuck it out for the sake of her children I would rather see mine dead than subjected to a similar experience. You cannot hide unhappiness from children. So, divorce is the only answer.

But I must consider the financial side too. My youngsters are pre-school age. I am a secretary and do not command a large salary. Is it possible for a woman financially on her own, as I am, to properly rear two children? —Troubled Mother

Dear Troubled Mother: A secretary who formerly worked in my husband's office had a problem similar to yours. She took her two children to nursery school each morning on her way to business and called for them as she went home. When the children reached school age she became a public stenographer and did her typing at home so that she could keep an eye on them. It wasn't easy but she has managed and both children are happy, well-adjusted youngsters. Remember, there is nothing to fear but fear!

Phone Service Suit Continued

LITTLE ROCK (AP)—Chancellor Paul X. Williams of Booneville Monday continued until next Monday a hearing on a lawsuit over continuing telephone service to Brown Engineering Co. of the old Shumaker Naval Ammunition Depot near Camden.

He said the delay was to enable him to familiarize himself with the legal pleadings in the case. He took over the case for Chancellor Guy E. Williams of Little Rock who underwent surgery last week.

Attorneys briefed Williams Monday. The suit was filed Sept. 30 after the Public Service Commission refused the same day to order Southwestern Bell Telephone Co. to continue service to the depot. Williams issued a temporary restraining order prohibiting Bell from cutting off service.

Bell attorneys said the company is willing to supply service under a different rate schedule. They said the depot had been served under a military schedule but that

retary who formerly worked in my husband's office had a problem similar to yours. She took her two children to nursery school each morning on her way to business and called for them as she went home. When the children reached school age she became a public stenographer and did her typing at home so that she could keep an eye on them. It wasn't easy but she has managed and both children are happy, well-adjusted youngsters. Remember, there is nothing to fear but fear!

Send your problems to Helen Worden Erskine. Be sure to enclose a stamped, self-addressed envelope and address her care of this newspaper. Helpful leaflets available. Write for "Women At Work."

Lana Must Pay Slain Man's Son

LOS ANGELES (AP)—Arlene Lana Turner must pay \$20,000 to the 13-year-old son of Johnny Stompanato, who was slain in her house.

Superior Court approved the settlement Monday. Stompanato was stabbed to death in Miss Turner's Beverly Hills home April 4, 1958, by her daughter, Cheryl Crane, now 17. A coroner's jury termed it justifiable homicide after the girl said Stompanato had threatened her mother.

Stompanato's divorced wife, Sara Stompanato of Hammond, Ind., sought \$750,000 from Miss Turner and her former husband, Stephen Crane. She claimed negligence caused the death and deprived Stompanato's son, John III, of support.

Law Clerk Quits

LITTLE ROCK (AP)—William B. Brady resigned Tuesday as senior law clerk to U.S. District Judge Gordon Young. Brady, who held the position since Young was named to the bench in 1959, will join a Little Rock law firm. No successor has been named.

he depot now is privately owned. Attorneys for Brown asked that the suit be held in abeyance pending a decision in another suit filed in Circuit Court last week for a declaratory judgement deciding Brown's rights.

New Senior Class Officers

The Senior Class of Yerger High Met Oct. 4 in the Harris Gym for their first joint meeting of the year to elect officers: President, John Henry Hendrix; Vice Pres., Winfred Yerger; Secretary, La Juanita Conway; Asst. Secy., Bernell McFadden; Treasurer, Louis Boatner; Reporter, Gwendolyn Smith.
Motto of the Senior Class this year is to strive to be a bigger, better and wiser class. Miss M. V. Minor and Mrs. Louise Yerger, class sponsors.

Spa Man Takes Tourney Lead

BURNEYVILLE, Okla. (AP) - Pete Fleming of Hot Springs, Ark., takes a three stroke lead into the second round of the south central PGA golf tournament here today.

Fleming fronts another Arkansas, Buster Cupit of Fort Smith, four-part series of Wilson Lectures at Hendrix College here Monday night.

He will conclude his lectures with the dedicatory address Wednesday for the new \$750,000 gymnasium.

Mr. and Mrs. J. M. Willson of Floydada, Tex., are sponsors of the annual lectures

New Invasion in Making, Castro Says

By JOSE MARIA ORLANDO

HAVANA (AP) - Fidel Castro's regime accused the United States Monday night of training invasion forces at 20 U.S. bases and nine Caribbean points for another assault on Cuban shores. He said the forces included paratroopers and were stronger than those cut down in the abortive landings last April.

Acting Foreign Minister Carlos Olivares called in the diplomatic corps to press the charges in a 1,600-word note. He claimed the invasion training network extended from Guantanamo Bay to the Panama Canal Zone. He contended that 500 paratroopers were among the forces being readied in Panama.

Olivares asserted that a number of Central-American governments were involved and that the United States was setting the stage for invasion by trying to disrupt relations between Cuba and the other governments through the use of forged documents.

The Cuban note apparently was a preview of the policy speech Cuban Foreign Minister Raul Roa is to give in the U.N. General Assembly in New York this afternoon. Except for the details on training of anti-Castro exiles, most of the charges had been aired by Castro and his spokesmen in recent weeks. Cuba also has submitted a complaint to the U.N. General Assembly charging the United States is planning new aggression against the Castro regime.

Olivares' charges drew no immediate reaction from the State Department in Washington. Press officer Lincoln White declined to comment.

Olivares assembled the 32 foreign envoys before large maps of the United States and the Caribbean on which he pointed out the alleged training sites.

He pinpointed the Florida locations as West Palm Beach, Pompano, Fort Lauderdale, Hollywood, Opa-locka, Hialeah, Homestead, Tavernier, Islamorada, Big Pine, Long Key, Marathon Key, Key West, St. Petersburg, Sarasota and Dry Tortugas west of Key West.

Olivares claimed other training centers in the United States were at Fort Worth, Tex.; Norfolk, Va.; Fort Bragg, N.C.; and New Orleans.

He asserted that one of the biggest training centers is at Viqueles, an island nine miles east of the Puerto Rican main island, and that many anti-Castro Cubans and much supporting military equipment are being massed at the U.S. naval base on Guantanamo Bay.

The spokesman claimed that U.S. agents are repainting American twin-engine bombers with Cuban air force colors and insignia for use in the invasion. He said the United States had grouped the planes at Santa Isabel, Puerto Rico.

He asserted that other training camps are located in Caldesas, Dominican Republic; Puerto Barrios, Trax and Retalhuleu, Guatemala; and Puerto Cabezas and Bluefields, Nicaragua.

The note said that "despite defeat (in the April invasion) the United States government has not stopped its intervention plans but has reactivated proceedings with the aim of repeating on a bigger scale the aggression against Cuba."

Olivares claimed that a unified command and common intelligence agency had been set up in Central America to support the attack.

He accused Guatemalan President Miguel Ydigoras of recruiting more than 600 anti-Castro exiles into the Guatemalan army and putting them under the command of Gen. Eleuterio Pedraza, chief of police under dictator Fulgencio Batista.

The Guatemalan government Pedraza for anti-Castro activities announced Jan. 24 it had expelled that violated the conditions of his asylum.

The note also raised again the charge that the U.S. Central Intelligence Agency had plotted to assassinate Castro.

Wilson Lectures at Hendrix

CONWAY, Ark. (AP) - The Rev. Gerald Kennedy, Methodist bishop of the Los Angeles area, began a four-part series of Wilson Lectures at Hendrix College here Monday night.

He will conclude his lectures with the dedicatory address Wednesday for the new \$750,000 gymnasium.

Mr. and Mrs. J. M. Willson of Floydada, Tex., are sponsors of the annual lectures

Buffalo R. Park to Be Studied

LITTLE ROCK (AP) - Will the scenic Buffalo River area become a national park?

Three members of a National Park Service team indicated Monday they would recommend to the Interior Department that a park be located along the Buffalo's banks.

They would commit themselves in a news conference after returning from a 10-day tour of the area. But A. Raymond Gregg, superintendent of Hot Springs National Park and a member of the team, said, "No area offers a better example of such primitive beauty."

Concurring with him were Paul E. Schulz and Carl Schreiber, both of Richmond, Va. They said other members of the team who already left the state were just as impressed.

The team surveyed the 120 miles of the river and the entire Buffalo River watershed in Newton, Searcy and Marion counties. Gregg said if a park is recommended, it probably would be elongated in design and would take in both sides of the river and probably some of the watershed area.

Gregg said the area lies within a single day's drive of about 27 million people. This, he said, makes it an ideal national park location because it would draw 300,000 to 500,000 visitors within two years.

Gregg said there were more abandoned farms than occupied homesteads along the river and this makes the area favorable from a "wilderness aspect."

The National Park Service is being cautious about examining the area for a park. Sportsmen and public power proponents are conducting a running feud over whether the river will be preserved as it is or whether power dams will be located on it to develop the area economically.

Rep. James Trimble favors the dams and Sen. J. William Fulbright is for the park plan. Secretary of the Interior Stewart Udall may tour the area himself.

Fulbright in Defense of His Record

By JOHN JUTTON

LITTLE ROCK (AP) - Sen. J. W. Fulbright, D-Ark., opened an ambitious early re-election campaign Monday night by defending his role in foreign affairs.

Fulbright, chairman of the powerful Senate Foreign Relations Committee, told a women's club in the kickoff of a 40 speech tour over a 10-week period that Russia doesn't intend to start World War III.

The junior Arkansas senator is battling an as yet unannounced foe. It could be either Gov. Orval E. Faubus or Rep. Dale Alford, D-Ark.

Fulbright acknowledged criticism that he is too preoccupied with foreign affairs by saying the term is a misnomer.

"These affairs are actually domestic as well as foreign because much of the state's progress is a result of foreign affairs," Fulbright said.

Four of Arkansas' main crops, cotton, rice, soybeans and poultry, are directly tied to foreign dealings, Fulbright said.

"If these export crops didn't exist, the price could drop."

Regarding the Berlin situation, Fulbright said Russia will push the United States as far as possible without starting a war.

He said one alternative to the Berlin crisis is war and President Kennedy has made it clear the U.S. will use force if necessary to protect its rightful free access to the divided city.

Fulbright said the present American military buildup is designed to convince the Soviets the U.S. will stand firm on its Berlin and West German commitments.

He contended Russia has violated a four-power agreement on free access to the city by building the now famous wall.

He said that when agreements were reached on a division of Germany "we accepted at face value Communist agreement to free access to Berlin."

Fulbright added that American prestige rests with free transit and West Berlin's fate.

Earlier in the day, Fulbright announced his intentions of seeking re-election.

He said he would run "unless it is obvious the people of Arkansas no longer want me to represent them."

He described his 40-speech tour as one of short talks followed by question-and-answer periods.

"I want to know what are the dominant issues in the minds of the people," he said. "In my mind, the issue is my record. I want to know their judgment."

Progress on UN Secretary Is Reported

By TOM HOGE

UNITED NATIONS, N.Y. (AP) - The United States intensified negotiations with the Soviet Union today on an interim secretary-general for the United Nations after Ambassador Adlai E. Stevenson reported "some progress" toward breaking the deadlock.

Stevenson conferred for an hour and 40 minutes Monday with Soviet Foreign Minister Andrei A. Gromyko and told reporters he was "very hopeful" some decision can be reached.

"We made some progress with respect to the problem of the secretary-general," Stevenson said as he left the Soviet mission headquarters on upper Park Avenue.

Stevenson was scheduled to see Soviet delegate Valerian A. Zorin this afternoon in what American sources described as a continuing series of talks on the problem of a successor for the late Dag Hammarskjold.

The United States and the Soviet Union are reported agreed on Ambassador U Thant of Burma as an interim successor, but they differ on how he should function in that office.

The Soviet Union has insisted on an evenly matched group of Western-Communist and neutralist deputies with whom the secretary-general would have to consult before making any decisions.

The United States contends there should be no check on the secretary-general's authority.

U Thant is reluctant to accept the post unless the Soviet Union and the Western powers agree on his powers.

In the assembly, Cuban Foreign Minister Raul Roa in a policy speech this afternoon was expected to make a slashing new attack on the United States, charging the Washington government is training a new invasion force to attack Fidel Castro's regime and is trying to torpedo Cuba's relations with other nations as an invasion preliminary.

Elsewhere in the United Nations, Soviet delegate Alexei A. Roshchin assailed the location of U.N. headquarters in New York and suggested it be transferred to Vienna, Berlin or Geneva.

In the assembly policy debate, Israeli Foreign Minister Golda Meir challenged the Arab nations to join in a regional disarmament plan she said could serve as a pilot project for solution of the East-West arms deadlock.

Soviet Subs Not Fastest, Navy Says

By FRED S. HOFFMAN

WASHINGTON (AP) - "We don't believe it" was the reaction today of a top Navy antisubmarine warfare authority to a Soviet claim that the Soviet Union has the world's fastest fleet of nuclear submarines.

The authority, who did not want to be quoted by name, said the Navy thinks the Soviets have a small fleet of nuclear submarines.

But he added: "If they have a submarine up to the state of the Nautilus we'd be surprised."

The Nautilus was the first nuclear submarine. It was commissioned about seven years ago and the Navy since has evolved more advanced models.

The U.S. fleet now has 14 nuclear attack submarines. A 15th will be commissioned shortly.

Thirteen others are in various stages of construction. Also with the fleet is a nuclear submarine armed with 500-mile-range Regulus guided missiles.

An increasingly important element of U.S. striking power is the Polaris submarine, capable of firing atomic-tipped rockets over 1,200 miles. Six of these are at sea or close to combat readiness. Thirteen more either have been launched or are being built.

The Navy has conceded the Soviets the capability to build nuclear submarines, but has not reported sighting any.

One authority estimated the Soviets are between seven and eight years behind the United States in what he called a rudimentary state of the art.

Says Berlin Is Symbol to World

LITTLE ROCK (AP) - Rep. E.C. Gathings, D-Ark., says West Berlin is the symbol of the integrity of the western world, and the United States should get on the offensive there.

Negotiations with Russia over the fate of West Berlin would be fruitless, Gathings told the Arkansas Wood Products Association

might test his political strength in next year's primary.

If Faubus announces as Fulbright's opponent, Alford, in all probability, would step out of the picture and seek Faubus' post as chief executive.

Fulbright is seeking his fourth six-year term while Faubus is now in his fourth term as governor.

SEVEN LIES SOUTH

THE STORY: Ise, the Australian girl who lives at Don Willie's home in Spain, has warned Mike Beecher that he should not take the job in Rabat which Don Willie has offered.

Chapter IX
Beecher was embarrassed by her intensity, and he was relieved when the terrace doors opened and Laura came in.

"You remember Ise, don't you?" Beecher asked.

"Why, of course. Didn't we meet at Bar Central, or some place?" She smiled and put her hands out to the fire. "This feels heavenly, Mike. Could I have a drink, please?" She hadn't glanced at Ise.

"Ise was our hostess at Don Willie's party," Beecher said smiling. "But there was such a crowd. It was difficult to keep everybody straight."

Thinks Bobcats Will Win 21-0 Over Fairview

By WICK TEMPLE
Associated Press Sports Writer

Friday night's Arkansas high school football schedule shows a bumper crop of good matches, mostly non-conference in nature but a few are key league games.

Little Rock Hall and Pine Bluff meet and Fort Smith takes on Blytheville in vital Big Nine Conference contests.

In Class AA, Region 3AA strong-boy Benton goes after likewise unbeaten Russellville in a conference game. Camden tries for its sixth victory in a row against Crossett in a 4AA contest.

Here's the week's outlook:

FORT SMITH 14, Blytheville 0. The Chicks will find Fort Smith a tougher match than Hall, which beat them by seven.

JALL 20, Pine Bluff 7. One of the better games of the conference race and Pine Bluff has a chance for an upset.

LITTLE ROCK CENTRAL 13, Texarkana 7. Razorbacks have improved, but not enough to match Central's depth.

NORTH LITTLE ROCK 7, Hot Springs 0. A good one and Hot Springs could win its first.

But North Little Rock has more offense.

EL DORADO 12, Monroe, La. 7. Wildcats should be ready after a down night against Pine Bluff last week.

Around Class AA:
FAYETTEVILLE 20, Springfield, Mo. Central 13. Nothing easy about this non-conference game.

SUBIACO 19, Rogers 0. Subiaco has faced much better teams.

SPRINGDALE 26, Siloam Springs 0. A tuncup for the Bulldogs, who now can only hope Springdale knocks off Van Buren.

VAN BUREN 13, Tahlequah, Okla. 12. A good one, but Van Buren has done well against good opposition.

NEWPORT 7, Forrest City 6. A speech.

Fight Results

By THE ASSOCIATED PRESS
San Jose, Calif.—Frankie Ramirez, 147½, Los Angeles, outpointed Steve Mendoza, 146½, San Jose, 10.
Hartford, Conn.—Rudy Davis, 202, Philadelphia, knocked out Oscar Fields, 192, New York, 1.
South Miami, Fla.—Nick Nichols, 120, Roanoke, Va., outpointed Santo Flores, 126, Puerto Rico, 8.

tossup but Newport's record is a little better.

HELENA 20, De Witt 6. Helena needs to win from here on out to gain enough steam for the Jonesboro game.

Wynne 13, West Memphis 0. Wynne gets back on the track.

BENTON 27, Russellville 14. The Cyclone will give mighty Benton a good battle, but no AA team is going to stop the Panthers.

JACKSONVILLE 25, Little Rock Catholic 0. Jacksonville remains unbeaten, Catholic High remains scoreless.

CONWAY 13, Malvern 7. A good one between former class mates. Conway's opposition has been better.

MABELVALE 6, Fuller 0. Mabelvale's GOTTA win this one.

MORRILTON 19, Atkins 13. A good Class A team and a so-so Class AA outfit.

HOPE 21, Camden Fairview 0. Fairview has gone downhill since losing the first two to Camden and Snackover.

CAMDEN 27, Crossett 7. Whistle stop for the unbeaten Panthers.

HAYNESVILLE, La. 14, Magnolia 0. Magnolia, 0-4-1, unoffensive.

SMACKOVER 21, Arkadelphia 6. But Arkadelphia is dangerous.

Mynah birds rival parrots in their power to mimic human speech.

Many Teams Report Key Men Injured

By MIKE RATHET
Associated Press Sports Writer

They really knock heads together at Ohio State's football drills. It's getting costly.

The seventh-ranked Buckeyes lost two men with head injuries Tuesday as they went through their paces in a midweek head-knocking drill for Saturday's opening Big Ten conference clash with Illinois.

Left end Chuck Bryant had to be carried off the field on a stretcher after being knocked unconscious in a collision. Moments later left tackle Bob Vogel was formed to the sidelines when he was hit in the head. Both are expected to be ready for the Illini.

It was the same at other camps around the nation as college football's elite collided in preparation for upcoming tests, with Illinois, Michigan, Southern California, Syracuse, Missouri, Iowa and Navy among others reporting serious injuries to key personnel.

The Illini lost quarterback Mike Taliaferro for the rest of the season when the team physician ordered the signal-caller removed from the roster after checking a nerve injury in Taliaferro's neck.

Fullback Mike Summers and linebacker Joe Mota did not take part in the scrimmage.

Michigan's sixth-ranked Wolverines will be shy two key linemen for their nationally televised test against fifth-ranked Michigan.

First-string right guard Joe O'Donnell and replacement Lou Pavloff have not recovered from their injuries.

Southern Cal's Trojans will face eighth-ranked Notre Dame Saturday without the services of halfback Willie Brown, who has a torn ligament in his right foot.

Syracuse, which meets Nebraska, learned Soph tackle John Paglio has a broken left wrist and probably is out for the year.

Quarterback Ron Taylor was sidelined with a thigh injury as Missouri worked out for its Big Eight conference opener against Oklahoma State. He may be back for the clash but halfback Gerald Stevenson definitely is lost and fullback Andy Russell remains a question mark.

Iowa's second-ranked Hawkeyes, preparing for Indiana, drilled for two hours while quarterback Wilburn Hollis watched from the bench with his arm in a cast. Others on the injured list are centers Bill Van Buren and Dayton Perry, tackle Al Hinton and halfbacks Bernie Wyatt and Larry Ferguson.

End Ed Gill will miss Navy's game with Cornell due to a virus infection, and will be replaced by sophomore Jim Campbell, who has been a stalwart on the defensive unit.

Elsewhere, Oklahoma moved Duane Cook to left tackle in place of injured Tom Cox for the Texas meeting. Nebraska may be without linemen Mickey Tingelhoff, Ed Mitchell and Bob Brown for its game against Syracuse.

Quarterback Sandy Stephens missed Minnesota's workout and UCLA end Mel Profit is in the hospital with an injury suffered against Ohio State.

Asks Recognition

LITTLE ROCK (AP) — The newly incorporated Union Telephone Co. of Junction City asked the Public Service Commission Tuesday to recognize it as a public utility. The firm owns utility properties at Junction City and Dodge City which it brought from the old Union Telephone Co., owned by John Carter of El Dorado.

Porker Coach Fears Time Not Enough

FAYETTEVILLE, Ark. (AP) — The Arkansas Razorbacks looked forward today to another tough session on defense as Coach Frank Broyles and his staff try to ready them for Saturday night's game with Baylor at Waco.

Coaches pushed the Porkers hard for two long hours in a light rain Tuesday, hunting for a solution to Baylor's pro-style offense.

Broyles said the T-team wasn't running Baylor plays right and he couldn't tell how well the defense was doing. He planned to study films of Tuesday's practice today for further information.

The Porkers spent some time Tuesday polishing their own plays, but coaches apparently are satisfied with the way the offense clicked in last week's 20-3 conquest of Texas Christian.

Broyles bemoaned the shortness of time the Porkers have to get ready for Baylor.

"This should be the other way around," he said. "We have only four days to prepare for a team that's run up 1,000 yards on us in the last three seasons and they had two weeks to get ready for us."

Baylor hasn't played since Sept. 23 when the Bears came from behind to beat powerful Pittsburgh 16-13. They tripped Wake Forest 31-0 in their opener.

Broyles said trying to stop Baylor was like "trying to plug five or six leaks with two hands." He pointed to the passing wizardry of quarterback Ronnie Stanley and Bobby Ply and the running power of fullback Ronnie Bull and halfbacks Tommy Minter and Ronnie Goodwin.

Broyles said Bull was as good as any running back in the country.

Baylor Gets Nod Over the Porkers

By HAROLD CLAASSEN
Associated Press Sports Writer

NEW YORK (AP) — Be sure to equip your TV set with a shatterproof screen for this weekend's viewing of the Michigan State at Michigan football game. Each again is a Big Ten power and they hate each other athletically as only rival state institutions can.

You and some 100,000 spectators-in-the-flesh will see Michigan wear down the Spartans and eke out a narrow victory. There's a 725 chance that this prediction is correct. That's the average for the season after four weeks. Last week's figures showed 31 correct and 15 wrong picks.

Each team has powerful and mobile linemen. Each, also, has speedy and versatile backs. But Michigan also has Bill Tunnicliffe, a 230-pound fullback and he gives the Wolverines a slight edge.

Texas over Oklahoma: The Big Eight power will wear itself out trying to catch Jim Saxton and Jack Collins.

Mississippi over Houston: The Rebels' biggest worry will be to decide which of their three top teams to start.

Ohio State over Illinois: The Illini still to green even if the Buckeyes aren't as fierce as they were rated to be.

Notre Dame over Southern California: The Irish are on the way back as ahy team would be that had their backfield array.

Elsewhere: Baylor over Arkansas; Maryland over North Carolina; Louisiana State over South Carolina; Northwestern over Minnesota; Washington over California; Georgia Tech over Duke; Miami over Colorado; Navy over Cornell.

When to Fish or Hunt
Solunar Tables
By John Alden Knight

The schedule of Solunar period as printed below, has been taken from John Alden Knight's Solunar Tables. Plan your days so that you will be fishing in good territory or hunting in good cover during these times, if you wish to find the best sport that each day has to offer.

The Major periods are shown in bold face type. These begin at the time shown and last for an hour and a half or two hours thereafter. The minor periods, shown in regular type, are of somewhat shorter duration.
